

***“There is no faith that has never yet been broken,  
Save that of a truly faithful dog”***

PAWS- The People's Animal Welfare Society was established in February 1997, out of desperate need for an organised animal rescue service in North Kildare. However, we soon found ourselves tackling the huge problem of neglect and abuse of animals from Kerry and Cork to Galway, Sligo and Dublin. Unfortunately, every year we see more and more mistreated, distressed and abandoned animals. People like you who care about animals pay for all the work we do to alleviate their suffering. That's why we are now asking for your support.

***From just E20.00 a month, you could help:***

- Rescue, neuter and re-home many abandoned and abused animals.
- Help us to complete the building of our custom-built animal rescue centre to help us increase the volume of animals we rescue each year.
- Ultimately provide an Animal Clinic for pets whose owners cannot afford to pay.

Any donation you can make, no matter how little, will go a long way to relieving the suffering of innocent animals, so please send what you can.

As a Registered Charity (CHY 12312) your donation may be tax deductible.
